Hi Team.

I have had a look about the report, it looks really good and well planned. I am very impressive of what you guys done in the short time frame.

Due to my work commitments, I am not available to meet you at ANU this week.

You are more than welcome to give me a call or video chat to discuss more.

My phone number is 0422928997, it is written right on the bottom of this email as well(the signature session).

Cheers

Jiefei

Hi Jiefei,

Please do join us for the meeting next week, this will be our regular weekly meeting (Wednesday 4-5pm).

Will you be available tomorrow (8th Aug) 4-5pm or Friday (9th Aug) 9-10am for a catch-up meeting at ANU?

Also, can both Martin and Jiefei provide your mobile number, please?

Here is the link to our Concept of Operations:

It would be great if you can have a read and provide us with some feedback.

Kind regards,
Inset Farming Team

Hi Jiefei and Martin,

Can we please arrange a regular weekly meeting? We are free every Wednesday 4 - 5 pm. It would be great can meet somewhere at ANU.

For this week, we need to finalise the main goal of the project and let you sign the Concept of Operations form.

Kind regards,
Inset Farming Team
