Hi all,

I will not be able to dial in until at least 4:30. I'm driving and might not have coverage, but hope to have reception at 4:30. If I have reception, I will send through a zoom invitation. You should just have to click on it to start the meeting.

If I haven't sent it through by 4:30 just have the meeting without me.

Kind regards

I should be available, I will need to dial in though. I can set up a zoom meeting and send it through to you.

Subject: Weekly Meeting Insect Farming

Hello there Martin

Just wanting to confirm whether or not you are still available to meet from 4 tomorrow? It shouldn't be a long discussion, just an update as to where we are as we lead up to the final presentation.

Cheers
