Hi Derek,

That is fine for me and I am happy to meet on campus. Did you want to meet this afternoon? I'm available if you do.

Cheers

Marty

Subject: ENGN4221 client meeting

Hi Jiefei and Martin,

Can we please arrange a regular weekly meeting? We are free every Wednesday 4 - 5 pm. It would be great can meet somewhere at ANU.

For this week, we need to finalise the main goal of the project and let you sign the Concept of Operations form.

Kind regards,

Inset Farming Team
