Hi all,

3pm is fine for me. In the car park near the Robertson lecture theater (map location attached) would be easier as I won't need to block up the car park if I can't find a park. It also gives me plenty of room to turn back around.

If you put the following coordinates in google maps it will take you to the location.

-35.277592, 149.116801

If you need to call me my number is 0477 434 932.

Regards  
Marty

Hi Marty,

It would be great if you can pick us up from the ANU campus. How about we meet at the car park near Hancock library at 3 pm this Wednesday?

Looking forward to seeing you and Olympia on Wednesday!

Kind regards,  
Derek, Jessica, Lily and Andre

Hi all,

I am available from 3-5pm on Wednesday. Olympia from Goterra is also available on Wednesday and is happy to have you out for a site visit. I can pick you up on campus and take you out to Goterra's site at Fyshwick or meet you there.

Regards  
Marty

Hi Martin,

We are the team that will be working on the insect farming project with your company. We are very excited to get the project started.

Can we please arrange a meeting with you or our supervisor sometime this week? We are available Wednesday 3-5pm and Friday 9-11am. If those times do not work for you, we will figure out another time.

Kind regards,  
Derek, Jessica, Lily and Andre
